

TEMPEST 2400

INTERCOM WIRELESS

Frequency range	2400 - 2480 Hz
Number of discrete frequencies	43
Number of Hopping Patterns	64
Number of co-locatable bases	11
Dual antenna technology	Yes
2 x tx Technology	Yes
Propagation tendencies	Reflects off hard surfaces
Band adjustment capability	Yes
BELTSTATION	
Model number	CP-222
Effective Radiated Power	100mW using 2dBi antenna
Intercom audio channels	2
Headset connector	4 pin male XLR
Microphone type	Dynamic or electret, auto-selected
Antenna	Internal patch
Battery life	Up to 9+ hours
Weight	0,41 kg
Dimensions	102 x 156 x 44,5 mm (WxHxD)
BASESTATION	
Model number	CM-222
RF frequency	2400 - 2408 Hz
Intercom Audio channels	2400 - 2480 Hz
n. of antenna ports per base stations	1
n. of synchronized base stations	11
n. of beltstations	5 per base station / 55 max
Antenna connector type	RP - TNC
Programming port	USB
2- wire intercom compatibility	2 channels
Weight	4,75 kg
Dimensions	483 x 44 x 305 mm (W x H x D)
